Top 6

Global market share (2017 IHS Markit)

Expert in **IP**

Uniview started video surveillance early in 2005, and founded independently in 2011. Instead of choosing an easy way, Uniview started with IP video surveillance, who was the first manufacturer in China. Owning innovative R&D teams and industry-leading quality control ability, Uniview stepped into overseas market in 2014.

2017
Release **Ultra 265** solution

2016
First released H.265 technology
Covered **105** countries

2015
Launched overseas **SMB** products
No.8 in global market

2014
Advanced into **International** market

2012
3rd largest in China
First released "High Quality Surveillance"

2011
Founded with $103 million by
Bain Capital

2005
From **Huawei & 3COM**
**First** innovated **IP** surveillance solution

Keep one **step ahead**

What determines an enterprise's vitality?

Uniview thinks it has to be innovation ability. And Uniview has planted innovation spirit deep into its soul.

Uniview always think ahead. To create product that's tough enough to conquer every unfavorable environments, sensible enough to adapt to complicated light and network conditions, we pioneered innovative technologies in products research and development.

Quality matters most
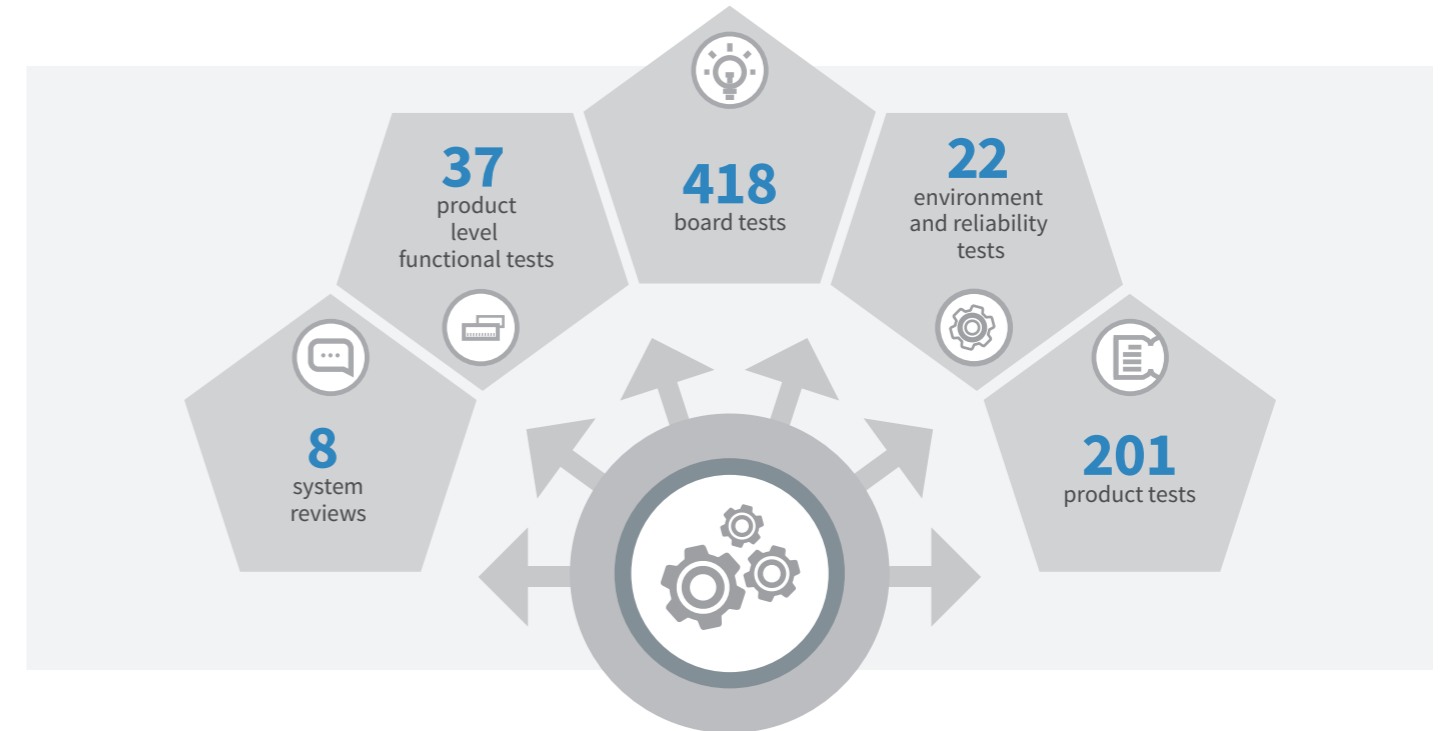

Uniview has always pushing the edge of high quality.

We scrutinize every element and chip, carefully selected all materials. Each detail was meticulously designed, engineered, and crafted until products had the industry-leading quality.

Quality Guarantee System

Guarantee quality in whole hardware development process and product lifetime

Component Selection	Development	Trial-production	Volume prduction

Test components' quality	Board circuit test	System test	Harsh environment test	Manufacture ability assessment	Automating functioning test

Risk alert and test control system	Check component before assembling	HALT

Rigorous R&D Testing

37 product level functional tests

418 board tests

22 environment and reliability tests

8 system reviews

201 product tests

Quality Certification

ISO9000/14000/18000	CMMI5	CE	FC	Industry Canada IC	c UL us LISTED
EAC	GS geprüfte Sicherheit	KC	BSMI	RoHS	RCM

Ultra 265

More than a compression technology, it is a solution which could save 75% of cost.

Uniview - Top 3 H.265 based solution provider
