The Statement on Business Adjustment

Dear Customers and Partners,

Thank you for your consistent trust on business cooperation with Zhejiang Uniview Technologies Co., Ltd. (“UNIVIEW”).

In light of the increasingly scale expansion of our overseas business, Uniview is going to reorganize the overseas business, so as to improve responses to the need from our customers, and to provide better and more efficient services. UNV Digital Technologies Co., Ltd (“UNV DIGITAL”, Certificate No. 68710689-12-17-3), a Hong Kong based company and Uniview’s wholly owned subsidiary, will take the responsibility and support directly for our overseas sales business.

For our current overseas customers, UNIVIEW will novate our contractual rights and obligations to UNV DIGITAL, and UNV DIGITAL will perform all the obligations to substitute UNIVIEW from the date of July 1,2018.

Whether “UNIVIEW” or “UNV Digital” , we will continue to use our best endeavors to provide high quality products, solutions and professional services to our customers, partners, and end-users as before.

Your understanding and support will be greatly appreciated.

Zhejiang Uniview Technologies Co. Ltd.
