years of IP video  
surveillance experience

**>15%**  
revenue invested into R&D

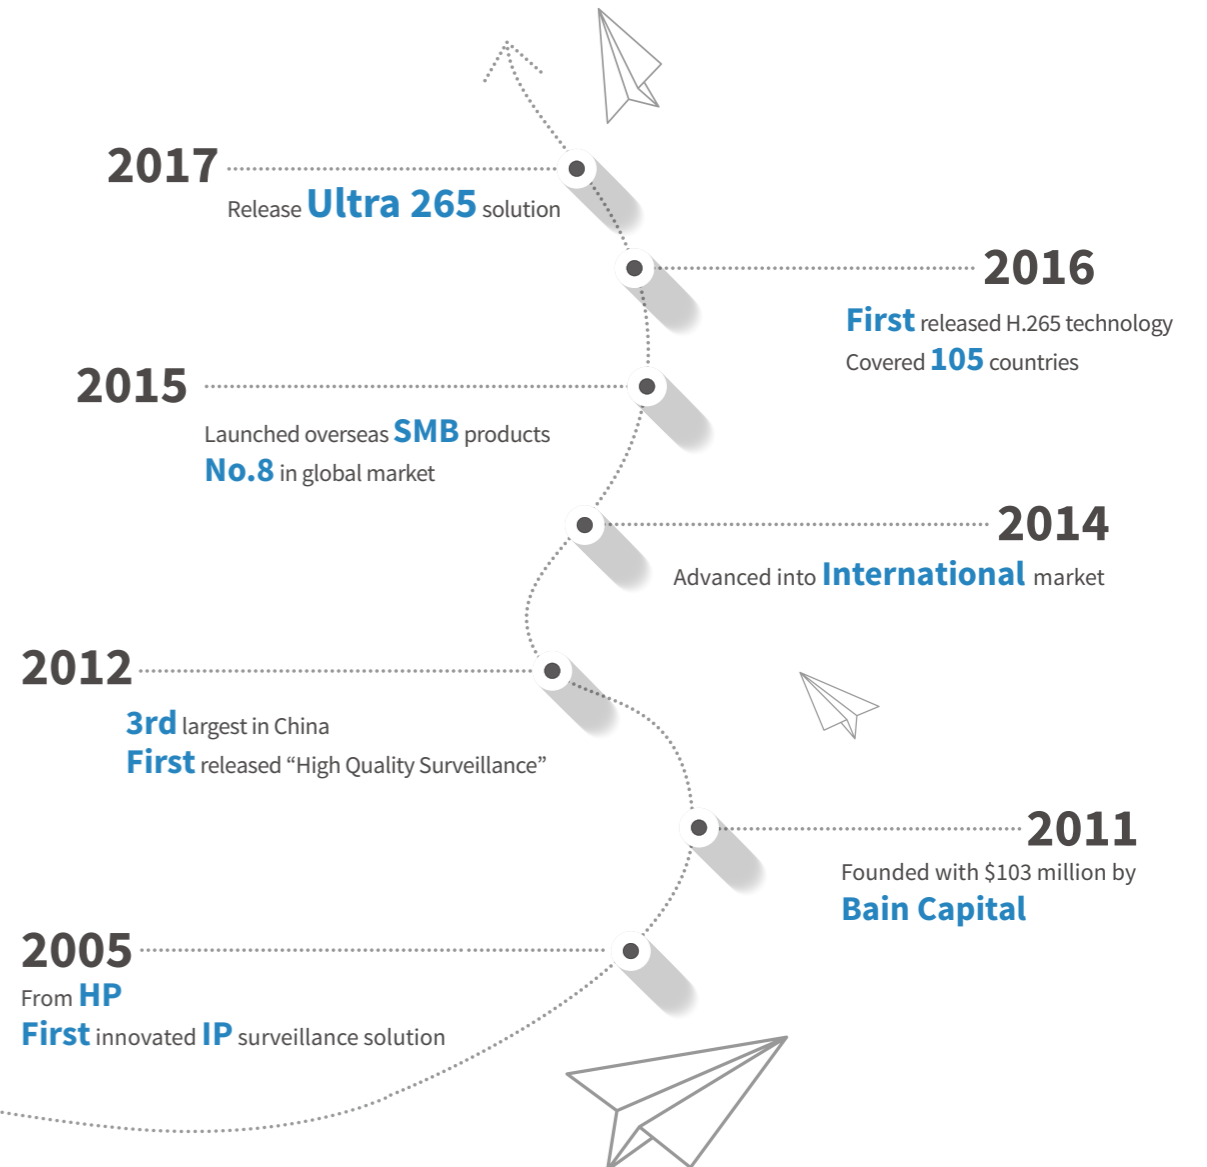

## Expert in IP

Uniview started video surveillance early in 2005, and founded independently in 2011. Instead of choosing an easy way, Uniview started with IP video surveillance, who was the first manufacturer in China. Owning innovative R&D teams and industry-leading quality control ability, Uniview stepped into overseas market in 2014.
